Fulfilment of obligation by private operators

928. SHRI K. CHANDRAN PILLAI: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether it is a fact that the license agreement with private operators stipulated that basic telecom service operators were to provide a minimum of 10 per cent of their total commitments as VPTs;

(b) if so, whether the private operators have fulfilled their obligations since the operation commenced;

(c) if so, the details thereof;

(d) if not, the loss incurred by Government in this respect alongwith the action taken against the defaulting operators; and

(e) the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) to (e) The six private basic telephone service operators, who were granted licences in 1997-98, were to provide a fix number of Village Public Telephones (VPTs) in their respective service area. The details of VPTs provided by the six private operators as on 31-10-2003 are given in the Statement (See below). Consequent to announcement of Unified Access Service Licence regime, the six private basic telephone service operators have migrated to Unified Access Service Licence regime in November 2003 and thereby the roll out obligations have changed to coverage of District Headquarters instead of provisioning of fixed number of Direct Exchange Lines (DELs) and VPTs. The Government has recovered liquidated damages to the tune of Rs. 53.75 crores from these six private basic telephone service operators for non-fulfilment of roll out obligations in terms of commencement of service as well as in provisioning of DELs and VPTs.
